

# What Comes Next?

---

## Object of the Game

Look at patterns and figure out what comes next.

Take turns building patterns and asking family members what comes next.

## Materials

[What Comes Next? Video](#) (Sesame Street)

[What Comes Next Game](#) (online)

Objects from around your house or yard

## Math Concepts

Patterns

## How to Play

1. Watch the [Sesame Street video](#).
2. Play [What Comes Next?](#) online
3. Build patterns with objects in your house. Ask someone in your house, “What comes next?”
4. Have someone in your house build a pattern for you. You figure out “What comes next?”

## Math Talk

Questions to Ask Your Child:

- What comes next?
