## Decimal Compare

## Object of the Game

Win more cards than your partner by turning over cards with a greater value.

## Materials

Decimal Card Set A (2 sets)
Decimal Grids (to help you justify your thinking) or Digital Decimal Grids
You can include Set B if you want to play with thousandths.

## Math Concepts

Decimal place value, compare decimal numbers

## How to Play

1. Deal an equal number of cards to each player.
2. Stack your cards face-down in a pile.
3. Each player turns over the top card in his/her pile.
$\rightarrow$ Compare the decimal numbers.
$\rightarrow$ Who has the greater decimal number? How do you know?
$\rightarrow$ Use your decimal grids and decimal reasoning to explain your thinking. The person with the greatest decimal number wins both cards.
4. If your numbers are equivalent, turn over the next card and compare. Whoever has the greatest number wins all the cards that have been turned over for that round.
5. Play until one player wins all the cards or until you want to stop.
6. The player who wins the most cards wins the game.

## Math Talk

$\qquad$ is greater than $\qquad$ because $\qquad$ .

## Variations

Smallest Decimal Wins, Decimal Closest to $1 / 2$ Wins, Decimal Double Compare (turn over 2 cards) and add them together - the person with the greatest sum wins.

## Decimal Card Set A

| $0.1$ | $0.2$ | $0.3$ | $0.4$ |
| :---: | :---: | :---: | :---: |
| $0.5$ | $0.6$ <br> six tenths | $0.7$ | $0.8$ |
| $0.9$ | $\begin{aligned} & 0.05 \\ & \text { five hunderedr } \end{aligned}$ | $\begin{gathered} \text { fiften hundreaths } \end{gathered}$ | $\begin{gathered} \text { c. weny-five } \\ \text { hundredus } \end{gathered}$ |
| $\underset{\substack{\text { thirf-five } \\ \text { hundredu }}}{0.35}$ | $\underset{\substack{\text { forty-five } \\ \text { hundredths }}}{0.45}$ | $\begin{gathered} 0.55 \\ \text { hiturfier } \\ \text { hundredts } \end{gathered}$ | $\begin{gathered} 0.65 \\ \text { sixp:Five } \\ \text { hundredush } \end{gathered}$ |
| $\underset{\substack{\text { severy.five } \\ \text { hundracth }}}{ }$ | $\begin{aligned} & 0.85 \\ & \begin{array}{l} \text { eighty-five } \\ \text { hundredths } \end{array} \end{aligned}$ | $0.95$ | 1 |

## Decimal Card Set B

| $\begin{aligned} & 0.025 \\ & \substack{\text { twenty.five } \\ \text { tho }} \end{aligned}$ | $0.075$ <br> seventy-five thousandth |  |  |
| :---: | :---: | :---: | :---: |
|  |  |  |  |
|  |  |  |  |
|  |  | $0.725$ |  |
|  |  |  | $0.975$ |
